N/A

Item Information

Racor offers a wide range of replacement kits and parts for Turbine Series filter manifolds and housings. This Part Selector finds available "RK" type (Racor Kit) Turbine Series replacement part numbers according to the kit type and filter housing.

How to find your part:
Step 1: Identify the Racor Turbine Series housing part number that you need replacement parts for. If unsure, refer to “CUT” sheets.

Step 2: Next, select the “Component Type” in the selector.
Parts for individual housing include:
• Bowl and Drain
• Centrifuge Parts / Checkball
• Heater
• Housing and Bracket
• Seal
• T-Handle/Lid
Parts for manifolded units (two or more housings on a mounting bracket) include:
• Bowl and Drain
• Housing and Bracket
• Gauge

• Tu
• Va

Step 3: Refine your search by choosing the “Kit Type” in the part selector.
Step 4: Find the proper Turbine “Filter Housing Series” in the selector.
Step 5: Clear form and repeat to find other replacement parts.

Notes on use:

• For additional information, see the "Tech Specifications" tab after part selection, and refer to "CUT" sheets found on the "Product Support" tab.
• Racor does not supply fittings. Fittings must be purchased from other suppliers.

Markets:
• Agriculture
• Construction
• Power Generation
• Oil and Gas

Applications:
• Diesel and Biodiesel Engines
