

TetraMax™ Air Filters

An improved air filtration solution for Freightliner® Cascadia Trucks

Fleetguard TetraMax Delivers:

- Improved handling and serviceability with handles designed for easy access and sure grip
- Meets OEM specification
- Fleetguard quality that optimizes your bottom line

Unique Media Design:

- Traps more dust
- Is less susceptible to blockages from large debris
- Allows for longer filter life

Made in USA US Patent 8,397,920

PROVEN PERFORMANCE, PROVEN PROTECTION.

A SMARTER SOLUTION FOR YOUR FREIGHTLINER

Better Removal and Installation

Direct feedback from fleets who previewed the new TetraMax product design include:

- ✓ Much easier to handle
- ✓ Easier to service
- ✓ Tabs don't break
- ✓ Didn't have to use any special tools for removal

More than 4X stronger than the OE design

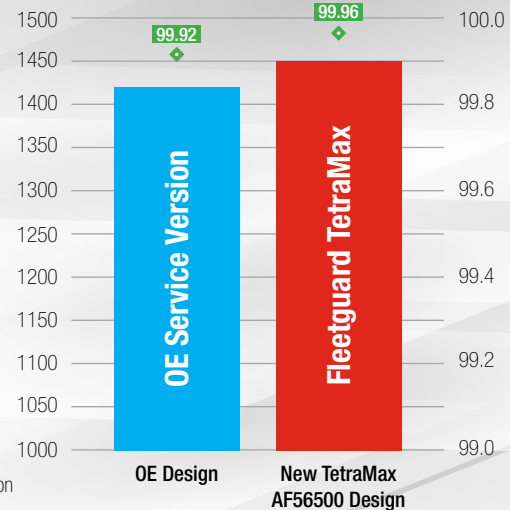

Best Warranty in the Business.

Fleetguard products ensure equipment performance and protection that meets or exceeds OE specifications. Rest assured our filtration system is covered with the Cummins Filtration non-prorated warranty.
