Technical Specifications

Product Type:

Channel Flow EXO Primary Air Element with Handles

Outside Diameter:

21 5/8 (549.7)

Length:

8 3/32 (205.5)

For Use With:

PA30200 (Secondary Air Element)

Compatible Competitor Part Number:

Caterpillar 2262779; Donaldson P635236; Wix WA10929

Application:

Caterpillar Generators, Gen Sets, Industrial Engines, Marine Engines

Division:

Engine Mobile Aftermarket

Industry:

Heavy-duty on-highway transportation, Commercial trucks and buses

Brand:

Baldwin

Product Style:

Air Filter

Technology:

Filtration

Item Information

Channel Flow EXO is the next generation of the popular Baldwin Channel Flow air filter line. Channel Flow EXO filters take the straight-through airflow path of Channel Flow and combine it with cutting edge, proprietary technology. The result is a new compact line of Channel Flow air filters that are more efficient and durable than the competition while meeting the space and configuration requirements of modern engines.
