Technical Specifications

Includes:

A. Gasket: [1] Included

Product Type:

EnduraCube Air Element

Size:

26 1/8 x 5 1/4 x 9 9/32 (663.6 x 133.4 x 235.7)

Compatible Competitor Part Number:

Freightliner 333648001, P610260; Donaldson P618478

Application:

Freightliner Trucks

Brand:

Baldwin

Industry:

- Heavy-duty on-highway transportation
- Commercial trucks and buses

Technology:

Filtration

Product Style:

Air Filter

Item Information

Highly efficient and durable, Baldwin EnduraCube air filter elements ensure proper equipment function by preventing airborne contaminants from reaching the combustion chamber. EnduraCube air filters are reinforced to continue providing the same high performance throughout the entire service interval. One continuous web of high-strength synthetic media eliminates potential leak paths and a tough, molded frame prevents distortion. Under rigorous real world test conditions, Baldwin EnduraCube filters remain intact and undamaged. Unlike competitive filters, EnduraCube air filters experience no contaminant bypass or other signs of failure.
