Technical Specifications

Product Type:

Crankcase Breather Filter in Plastic Housing

Contains:

1/2 Inch Fitting; [1] Metal Clip

Compatible Competitor Part Number:

Ford D8AZ-9D695-A

Application:

Ford Automotive, Light-Duty Trucks, Vans

Brand:

Baldwin

Division:

Engine Mobile Aftermarket

Industry:

- Heavy-duty on-highway transportation
- Commercial trucks and buses
- Agriculture

Technology:

Filtration

Product Style:

Crankcase Ventilation (CCV) Filter

Item Information

Baldwin crankcase ventilation filters reduce blow-by, which is generated by combustion gases leaking past piston rings, producing oil droplets that would otherwise be included in vehicle emissions. These oil droplets are extremely small and can be classified as a drip or an aerosol, ranging in size from 3 microns down to 0.2 microns. As worldwide emissions standards continue to evolve to protect the environment, crankcase ventilation filtration systems are becoming more critical to reducing total engine emissions.
