## Technical Specifications

**Product Type:**

Crankcase Breather Filter in Metal Housing

**Outside Diameter:**

3 1/32 (77.0)

**Length:**

2 5/8 (66.7)

**Compatible Competitor Part Number:**

Chrysler 3462094, 4273322, 5214561, 53030254

**Application:**

Chrysler, Dodge, Jeep, Plymouth Automotive, Light-Duty Trucks

**Brand:**

Baldwin

**Division:**

Engine Mobile Aftermarket

**Industry:**

- Heavy-duty on-highway transportation
- Commercial trucks and buses
- Agriculture

**Technology:**

Filtration

**Product Style:**

Crankcase Ventilation (CCV) Filter

## Item Information

Baldwin crankcase ventilation filters reduce blow-by, which is generated by combustion gases leaking past piston rings, producing oil droplets that would otherwise be included in vehicle emissions. These oil droplets are extremely small and can be classified as a drip or an aerosol, ranging in size from 3 microns down to 0.2 microns. As worldwide emissions standards continue to evolve to protect the environment, crankcase ventilation filtration systems are becoming more critical to reducing total engine emissions.
