

Product Specification

AH19491

Air Housing

Fleetguard® AH19491 has revolutionized air filtration design with the introduction of its patented Fleetguard® OptiAir™ technology. To fit shrinking engine compartments, OptiAir has a reduced system size. The two-stage air housing design extends filter life and lowers restriction to deliver maximum engine performance. Higher dust holding capacity allows for longer service intervals and lower maintenance costs.

Length 367.90 mm
