#### Parker Filtration Hydraulic Filter Mini High Pressure Filter HPA Series • Lorry Mounted Cranes

Agricultural Equipment
Container Hhook Loaders
Maximum: 280 bar
Brass

-30°C to +90°C

#### Safety Warning

### **Item Information**

HPA Series mini high pressure filter are small and easy to install.

HPA is a robust solution to the low flow applications that larger filters are unable to effectively handle.

Made from high strength brass stampings and supplied with a wide range of media options. HPA Series mini pressure filters provide reliable, high efficiency protection.

Typical applications: • Low Flow Servo Systems

- Pilot Lines
- Small Mobile Equipment
- Lubrication Systems
- High Pressure Water Systems

For more information or a detailed discussion about your specific requirements please contact Parker or an authorised Parker distributor.
