Technical Specifications

Materials of Construction:	Anti-corrosive zinc plated steel	Product Series:	Series 16
Part Type:	Single clamp	Quantity per Box:	10 pairs

[Safety Warning](#)

Item Information

Multiclamp is a system of components, each one engineered to a high standard – that together build to provide effective, all-purpose pipe work clamping.

Available as single clamp, double clamp, 12 or 16 hole Multiclamp, there is a complete range of split bushes to accept pipe or hose diameters from 6 mm up to 50 mm from 3 x Series of Multiclamp.

Product Features:

- High quality pipe clamping system in 3 ranges - Series 10, 16 or 32.
- Pipe or hose diameters from 6 mm up to 50 mm.
- 26 different diameter, high quality split rubber bushes.
- Zinc plated steel construction with anti-corrosive, full passivate.
- Stainless Steel clamp option available.
