Technical Specifications

Materials of Construction:	Rubber	Part Type:	Split bush
Quantity per Box:	10	Product Series:	Series 16
! Safety Warning			

Item Information

Multiclap is a system of components, each one engineered to a high standard – that together build to provide effective, all-purpose pipe work clamping.

Available as single clamp, double clamp, 12 or 16 hole Multiclap, there is a complete range of split bushes to accept pipe or hose diameters from 6 mm up to 50 mm from 3 x Series of Multiclap.

- Product Features:**
- High quality pipe clamping system in 3 ranges - Series 10, 16 or 32.
 - Pipe or hose diameters from 6 mm up to 50 mm.
 - 26 different diameter, high quality split rubber bushes.
 - Zinc plated steel construction with anti-corrosive, full passivate.
 - Stainless Steel clamp option available.
