Technical Specifications

Kit Type:	Eco Vent Replacement Element	For Use With:	Truck
Product Type:	Vent Filtration System	OEM code:	Not Applicable
Application:	Racor Truck & Bus		

[Safety Warning](#)

Item Information

Baldwin air breathers prevent contamination and water created from fluctuations in the reservoir from entering the system, ensuring proper equipment operation and helping to prevent premature parts wear. They are available in various styles, with or without water removal. Desiccant and coalescing breathers prevent ambient humidity from condensing in tanks.
