Technical Specifications

Product Type:

Full Flow Lube Spin-on

Compatible Competitor Part Number:

Ford 2C46-6744-AC

Thread Size:

M30 x 2

Micron Rating:

25 Absolute

Item Information

Racor Lube filter spin-ons protect your engine from wear particles that can otherwise lead to premature parts failure.

Longer drain intervals requires filters that have both high capacity and the ability to withstand the rigors of time and temperature without failing or going into bypass. Racors lube filters are up to the challenge.
